ADVERTISING & SPONSORSHIP OPPORTUNITIES

Help thousands, reach thousands, by advertising and sponsoring our monumental and modern documentary about the Vietnam War Veterans', return home.

We are focusing on what happened when they returned from war, the changes made, and delivering a HUGE thank you for their service.

VET STREAM TV

STILL ONE OF THE MOST DISCUSSED SUBJECTS WITH HISTORICAL ENTHUSIASM

America is hugely regretful on how the veterans from the Vietnam War were treated when they returned home. Our research indicates that the Vietnam veterans and the public community at large are highly engaged when it comes to recognizing errors made, the changes that occurred because of their sacrifice and a continuation of gratitude.

VetStreamTV has reached over 150,000 people regarding our intent--across the nation in just a couple of months.

THE STREAMING MARKET

The global video streaming market is projected to grow from \$473.39 billion in 2022 to \$1,690.35 billion (about \$5,200 per person in the US) by 2029.

More data shows that social media platforms are propelling the growth along with technology making accessibility for viewers fast and easy.

We don't need the big studios to develop our project and it is easier now more than every before to create content, but we need help each other!

WHY SPONSOR & ADVERTISE

1. We are not backed by a major studio. Since this is the case, our project will be influenced by the veterans themselves, not the studios.
2. We have the advantage of distributing the film on our own streaming channel.
3. We have reached over 150,000 people about “Welcome Home” and we are just getting started.
4. Our film is expected to reach over a million viewers across the nation.
5. Producer credits are available for amounts above \$10,000.00.
6. In a modern way, you will help us share history with a newer generation.
